# Camps and Intensives Descriptions

**Beauty and the Beast Jr.:** This is our annual musical theatre intensive. This year the intensive is for two weeks so there is plenty of time to rehearse and relax as well. Auditions will be held tentatively on April 21. More specific information will be coming about the auditions but it is for kids who are interested in a featured role. All others who want to participate in the camp but do not audition will receive ensemble roles. Nicole Batalias will direct and choreograph and our own Dan Mason will be the musical director. The "magician", Katie Moorehead will design and produce costumes and sets. Spaces in the camp will be limited to 40 participants only. We suggest you register early. Public performances will occur on June 23 and 24th.

**Angelina Ballerina** is a one week half day (9-12) pre-ballet camp for 3-6 year olds. Campers do not need to have any prior experience with ballet as this camp is designed for all levels. Campers will have a dance class as well as an Angelina Ballerina craft, play Angelina dance games and watch video clips of Angelina's movies. Parents and friends are invited to a short performance in our studio theatre on Friday at 11 am.

**Glee** is a one week full day camp for campers from 7-14 years old who have always wanted to learn how to perform in a show choir. Dan Mason and Katie Moorehead will lead this exciting and fun camp working on vocal technique and performance as well as the special sort of dance moves that show choir performers need to know. Campers will also work on a costume that they'll wear for a Friday afternoon (3 pm) performance.

**Disney Magic** is a one week pre-ballet/pre-tap combination camp for kids 3 to 6 years old. They do not need to have any experience with ballet or tap as this camp is designed for all levels of skill. Campers will tap and ballet to Disney stage and screen music and make some Disney type crafts, watch a few Disney videos and also perform a short program on Friday at 11am for family and friends.

**Under the Sea** is a very popular one week pre-ballet half day camp for kids 3 to 6 years old. They do not need to have any experience with ballet since the camp is designed for all levels of skill. Campers will dance to Disney's Little Mermaid music, watch the video and make under the sea crafts. They will also perform a short show on Friday at 11 am with the older campers.

**The Little Mermaid** is a one week full day camp for 7-12 years old. They do not need to have any experience but girls and boys with experience are welcome as well. This is a serious intensive for pre-teens who want to improve their dance and performing skills. And there will be time for fun with crafts and movie relaxing during the week.

**Broadway Bound** is a special camp for all the kids with Broadway dreams. Campers will not need to have any experience just the desire to want to sing and dance. Dan, Nicole and Katie will lead the campers through several familiar Broadway show excerpts that parents and friends will get to see on the final day at 3 pm. Spaces are limited and this is a well attended camp, so make your reservation early.

**Hippity Hop** is hip hop "light" for younger kids who want to dance like the big kids. This is a one week half day camp and kids do not need to have an dance experience. Campers will have dance classes and choreography and crafts. And they'll get to show off for all their family and friends on Friday at 11 am in a short fun performance.

**Hip Hop Intensive.** This is always a huge camp so sign up early. Josh Wess is going to take all these kids through all the popular and newest moves. Be prepared for intensive workouts and classes. There will two or three skill levels so kids with little experience and kids with lots can enjoy the camp. There will be a performance on Friday at 3 pm.

**The Toy Shop** is a one week, half day morning pre-ballet camp for 3-7 year olds. Based on the famous ballet Coppelia and Dr. Coppelius' toy shop. Campers will get to take a dance class, rehearse for a little show, make costume pieces and get to watch the ballet too. Campers do not need to have experience with dance to participate. There will be a joint performance with the "big kids" on the last day of camp at 11 am.

**Ballet Intensive** is a full day, week long ballet intensive with a Coppelia theme. There will be two or three levels of skill, so campers with little or no experience can still participate. This is an intensive, so it will be mostly technique class, conditioning and rehearsing of original and modified Coppelia choreography. A performance recital will occur on the last day of the camp for family and friends at 3 pm.

**Disney Magic** is a one week **pre-jazz/pre-tap** combination camp for kids 3 to 7 years old. This camp can be half day in the morning or the afternoon or a full day if the camper wants to stay for "lunch bunch". Campers need not have any jazz or tap experience as this camp is designed for all levels of skill. Campers will tap and jazz to familiar Disney stage and screen music and make some Disney type crafts, watch a few a Disney videos and also perform a short program on Friday at 11am for family and friends.

**Jazz Intensive** is a full day, week long jazz intensive with a Beatles Retrospective. There will be two or three levels of skill, so campers with little or no experience can still participate. This is an intensive, so there will be lots of jazz and conditioning classes. Nicole is going to work on lots of turns, jumps and styles. A Beatles retrospective will be rehearsed during the week and then performed on the final day of camp at 3 pm for family and friends. Prepare to work hard and have fun.
